Hello, my name is Sameer Sheikh, and I am from India. I have recently relocated to Dubai and I am eager to further enhance my knowledge and skills by working with a professional firm where I can contribute effectively while continuing to learn and grow in the field of architecture.

I am a Bachelor of Architecture graduate with around 3 years of professional experience in architectural design and drafting, including residential, commercial, and institutional projects. I have hands-on experience in AutoCAD, Revit, SketchUp, Lumion, and Adobe Photoshop, with expertise in preparing floor plans, elevations, sections, working drawings, 3D models, and architectural visualizations. I have also worked on design development, technical documentation, and coordination with project teams.

Project 03

PROPOSED DESIGN WORK FOR J&K HOUSE, PRITHVIRAJ ROAD NEW DELHI

This project involved the redesign of the reception and public interior spaces of J&K House, Prithviraj Road, New Delhi, inspired by the rich cultural heritage of Kashmir.

The design integrates traditional Kashmiri craftsmanship through intricate wood carvings, floral patterns, warm natural materials, and elegant detailing while maintaining a functional and contemporary interior.

Cultural Heritage of J&K

The objective was to create a welcoming environment that reflects the architectural identity, culture, and timeless aesthetics of Jammu & Kashmir in a modern institutional setting.

**“craftsmanship, and
timeless aesthetics of
Jammu & Kashmir
through a modern design
approach”**

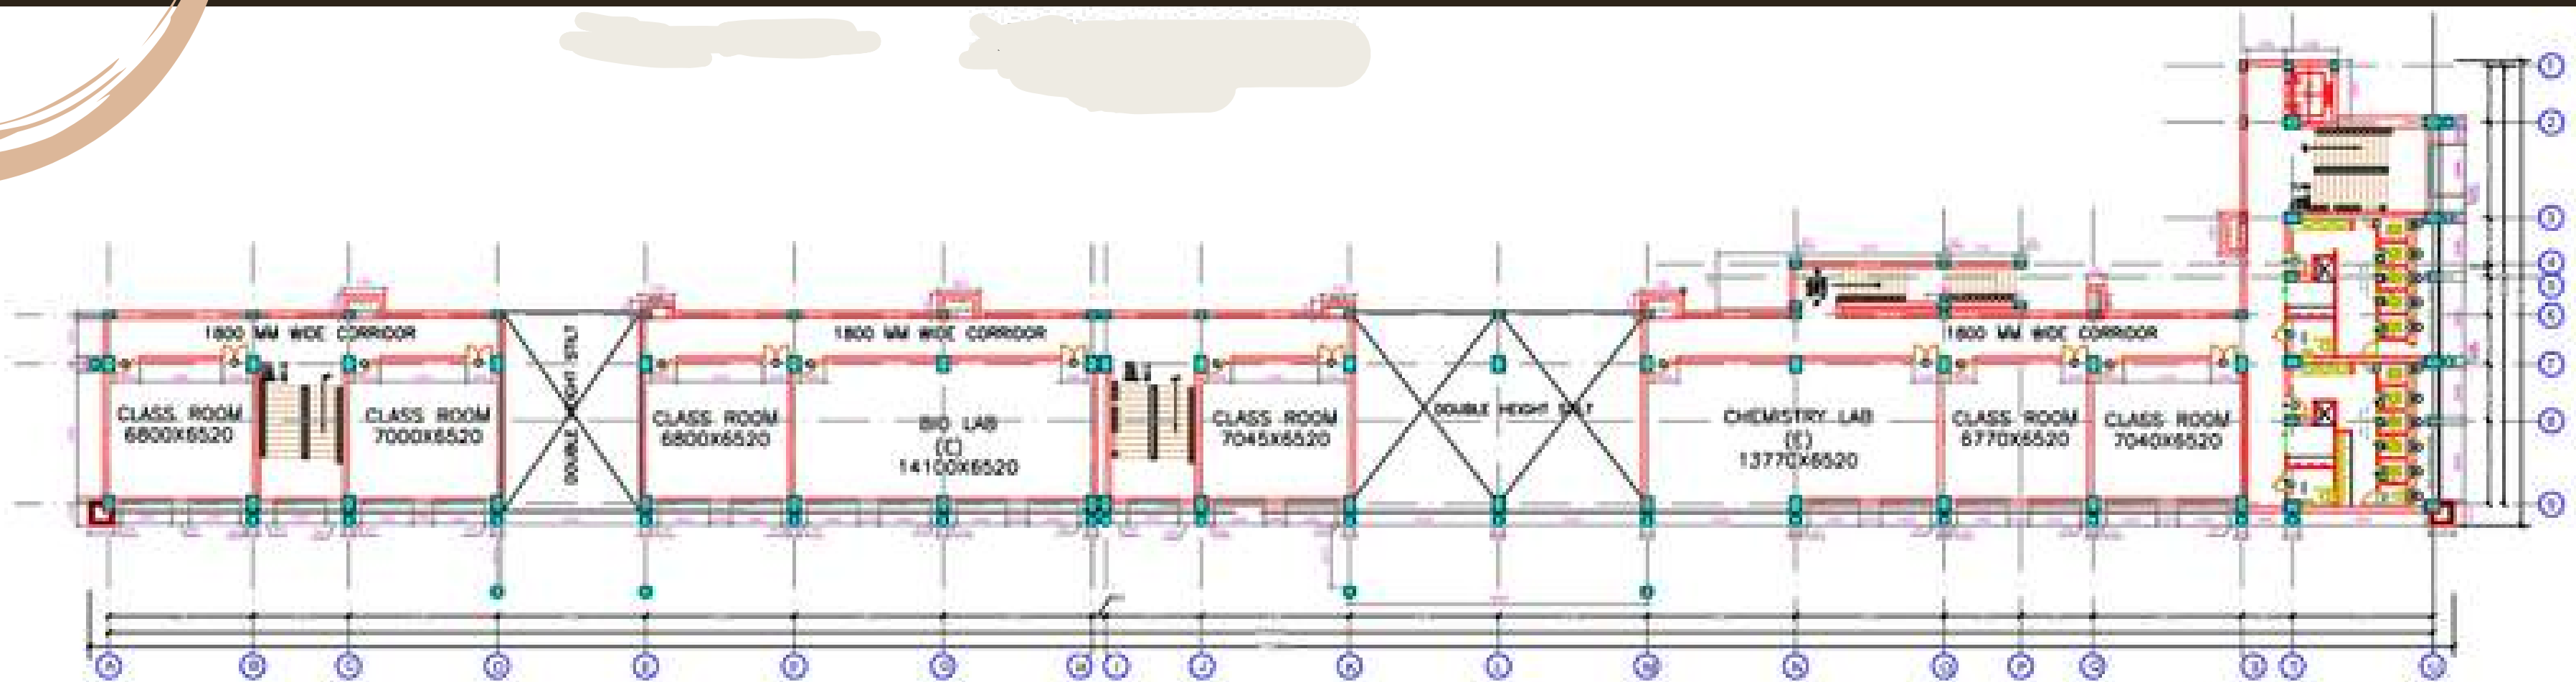

**“Jammu & Kashmir in
